

Sponsor of **Royal Family KIDS Camps & ConnectTeen**

A 501(c)(3) Non-Profit Organization  
Serving Abused, Neglected and Abandoned Children

---

Dear Friend,

We are very pleased to announce that the **City Councils** and **Mayors of Arlington and Grand Prairie** have issued a **Proclamation**. Both cities have proclaimed that April 17, 2020, shall be recognized as “**Send A Kid To Camp Day**” to reinforce the importance that **Trinity Kids, Inc. (TKI)** is making a difference in the lives of North Texas children.

In July 2020, **TKI** will celebrate its 23<sup>rd</sup> year of hosting week long camps, with the past eight years including two camps. **Royal Family KIDS Camps** have a profound and positive impact on the lives of abused, neglected, and/or abandoned children from the ages of 6 to 12.

I am writing to ask for your consideration, either as a business or as an individual, to donate to **TKI** to send one or more children to camp. Because of the specific needs of these children, we have a 2:1 camper-to-guide ratio. The cost of sending **two campers** and **one camp guide** is only **\$1,200**. Furthermore, **TKI** is an all-volunteer 501(c)(3) non-profit organization, so almost **100%** of your financial contributions go directly to benefiting the children.

**TKI** has provided a **Donation Form** which provides additional details about the various levels of support. Please take the time to review and select the level of support that you would like to provide. Obviously, any amount you contribute would be greatly appreciated!

Once you have completed the form, please mail the form and a check, payable to **TRINITY KIDS** and mail to the address below. Your donation is tax deductible and you will receive a statement detailing your contribution.

**NOTE:** If you wish to display a “**Send A Kid To Camp Day**” sign at your home or business location, simply fill out the **Donation Form** with your information. Or, simply let me know via email or phone call and we will place sign on your property on April 17<sup>th</sup>.

I deeply appreciate your support of **Trinity Kids** efforts to make a difference in the lives of North Texas kids who have survived abuse, neglect, and/or abandonment.

Blessings!

Michael Lally
